

The Highlands of Windham

View to the north from lot 46

To Be Built – design by Frank Betz Associates, Inc.

\$1,200,000

This spectacular 4,055 square foot two story home is situated on a premium 1.53 Acre lot with phenomenal views of the serene southern New Hampshire countryside.

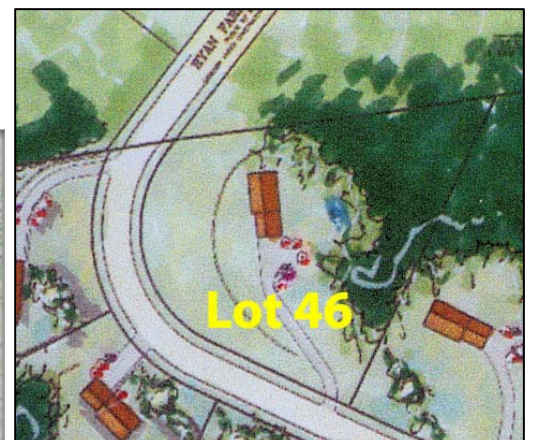

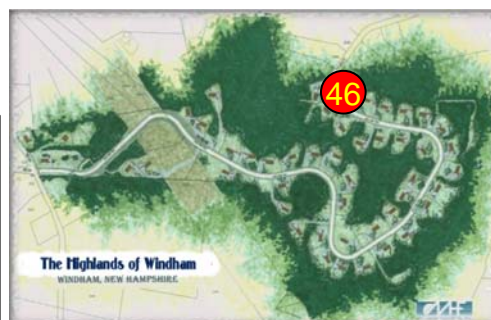

A European-style home offering a stunning array of windows that serve both aesthetic and practical purposes. Inside, the foyer leads to the grand staircase and balcony overlook above. The rambling master suite features a sitting room, fireplace, full bath, and two walk-in closets.

The Highlands of Windham is located in the quiet country setting of Windham New Hampshire – close to great schools, shopping and all the benefits of the southern New Hampshire Lifestyle.
